TERROIR
In 2017, Paul Aegerter responded to a call for tenders from the city of Dijon, and in 2019 the Estate planted its first vines, reviving part of the historic vineyards of the Grands Ducs de Bourgogne. The La Rente de Giron vineyard, west of Dijon, ranges from 356 to 387 m in altitude (average: 369 m). Its slopes, planted equally with Chardonnay and Pinot Noir, face east-southeast. The terroir consists of two geological layers: Oolitic Ferruginous limestone at the lower part, and creamy marl with thin limestone intercalations at the upper part.

VINIFICATION
The grapes are hand-harvested, sorted both in the vineyard and at the winery, and then 100% destemmed. They are vinified in stainless steel tanks and aged for 9 months in a combination of new and second- and third-use barrels.

TASTING NOTES
Dense color, with aromas of fresh raspberry and subtle peppery notes. On the palate, well-balanced with fine tannins and pleasant bitterness. A clean, harmonious wine.

FOOD & WINE PAIRINGS
Serve lightly chilled (14–15 °C) with roasted poultry, pink duck breast, or mushroom risotto. Also excellent as an aperitif with Burgundy persillé ham or paired with a Brillat-Savarin.

AGEING POTENTIAL
2 to 5 years.
