GRAPE VARIETY
Pinot Noir

TERROIR
A true gem of the Côte de Nuits, between Dijon and Gevrey-Chambertin. Located on the slope separating the limestone plateaus of the Hautes-Côtes from the Bresse plain, the vineyard lies on clay-limestone soil enriched with marl. Planted at the foot of the hillside, the vines can reach around fifty years of age. Facing east and south-east, they benefit from a steady and even ripening of the grapes.

VINIFICATION
The grapes are harvested by hand. 50% are destemmed, while 50% are kept as whole bunches. They are then transferred to stainless-steel tanks for vinification. The wine is aged for a minimum of 12 months in new and one-year-old 228-litre barrels previously used for white wine.

TASTING NOTES
On the nose, great freshness with notes of lilac and strawberry jam. Well-structured like its renowned neighbors, with persistent tannins.

FOOD & WINE PAIRINGS
Perfect with a beautiful rib of beef seasoned with fleur de sel, tandoori or curry dishes. Also pairs well with more creative options such as paella or nems, and balances beautifully with Chaource or a fruity Comté.

AGEING POTENTIAL
5 to 10 years.
