GRANDS VINS DE BOURGOGNE

NUITS-SAINT-GEORGES
- LES PLATEAUX -

GRAPE VARIETY
Pinot Noir

TERROIR
Our historic vineyard, a 1.08 ha parcel acquired in 1994 and planted around 45 years ago, is rooted in clay-limestone soil. We vinify separately the Plateaux Haut, more exposed to the sun, and the Plateaux Bas, benefiting from richer, deeper soil.

VINIFICATION
The grapes are harvested by hand and carefully sorted. Vinification takes place in stainless-steel tanks with 30% whole bunches, daily pump-overs and no punch-downs, allowing for gentle extraction. The wine is aged for 12 months in oak barrels, 30% new and the remainder in one- to two-year-old barrels previously used for white wine.

TASTING NOTES
Bright cherry-red color. Generous aromas of black fruits with hints of undergrowth. On the palate, balanced, fresh, and precise, with raspberry flavors and a lively, peppery finish. Aging will bring roundness and richness.

FOOD & WINE PAIRINGS
For a young vintage, decant for 30–60 minutes to reveal aromatic complexity and soften the structure. Ideal with grilled beef cheek, veal stewed with cream and mushrooms, or slow-cooked dishes with mild spices such as curry.

AGEING POTENTIAL
10 to 20 years.
